The image shows a detailed architectural floor plan of a curved building, divided into two main sections: the 1st floor (1階) and the Roof (屋上).

1階 (1st Floor):

- The plan is curved, following a semi-circular or arc-like shape.
- It features 10 restrooms (休憩室) numbered 1 through 10, arranged along the outer edge.
- In the center, there is a staircase (階段) and restrooms for men (男用トイレ) and women (女用トイレ).
- Dimensions are marked along the edges and between rooms, including 4.710, 4.100, 2.355, and 2.050.
- The total width of the building is indicated as 53.470.

屋上 (Roof):

- The roof is a flat area above the 1st floor, also following the same curved shape.
- It has a grid pattern of lines, likely representing structural elements.
- Text on the roof indicates "コンクリート打設し、3寸押入、コンクリート厚25.1mm" (Concrete casting, 3-inch recess, concrete thickness 25.1mm).
- Another note mentions "70x25mm ショットボルト (間隔500mm) W=200" (70x25mm Shot bolt (interval 500mm) W=200).
- Dimensions for the roof sections include 4.710, 2.355, 2.050, and 4.100.
